## Congress of the United States House of Representatives

April 27, 2022

The Honorable Rosa DeLauro  
Chairwoman  
House Committee on Appropriations  
H-307, The Capitol  
Washington, DC 20515

The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I write to you today to request funding for the CPI Health Science Building in Fiscal Year 2023.

The entity to receive funding for this project is Central Pennsylvania Institute of Science and Technology, located at 540 N. Harrison Street, Bellefonte, Pennsylvania, 16823-8644

The funding for this project will be used to construct a new health science building at CPI. According to a 2018 market assessment within the region, the greatest need for skilled workforce were in the areas of: health care management, occupational therapy assistant, physical therapy assistant, surgical technologist, licensed practical nursing, LPN to RN bridge. This program will help fill the unmet demand for skilled workforce in the health care industry in Central Pennsylvania.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
