The Honorable Tom Cole
Chair

Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Bradford Police Department for Public Safety Infrastructure Renovation in Fiscal Year 2027. The entity to receive funding for this project is the City of Bradford Police Department, located at 18 Kennedy Street, Bradford, PA 16701. The funding would be used to renovate and expand an acquired former bank facility into a police headquarters essential to public safety. The project is an appropriate use of taxpayer funds because renovating the structure into a modern police station will allow the Bradford Police Department to operate more efficiently, safely, and effectively while serving a regional population that relies on the department for emergency response and law enforcement services.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
