The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Bradford City Water Transmission Main in Fiscal Year 2024. The entity to receive funding for this project is Bradford City Water Authority, located at 28 Kennedy Street, Bradford, Pennsylvania, 16701.

The funding for this project will be used to improve the Bradford City Water Authority's old 24-inch diameter cast iron water main to make a reliable water main that can be shut down with new valves in the event of a leak or break. The project is an appropriate use of taxpayer funds because the Bradford City Water Authority provides water to approximately 6,200 Authority customers located in the City of Bradford, and the Townships of Bradford, Foster, and Lafayette, McKean County, Pennsylvania.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
