Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Mobile Simulation Lab in Clarion County, Pennsylvania in fiscal year 2024. The entity to receive funding for this project is the Clarion County Economic Development Corporation.

The funding would be used to support the Clarion County Mobile Simulation Lab Project, an effort to address immediate training shortfalls and long-term personnel shortages in the regional health professional workforce by acquiring a unique and technologically advanced simulation lab adapted to rural requirements.

The project has a Federal nexus because the funding provided is for purposes authorized by the HUD Community Development Block Grant Program (42 U.S.C. 5305(a)(1)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
