The Honorable Rosa DeLauro

House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Infrastructure Maintenance of Warren General Hospital in Fiscal Year 2024.

The entity to receive funding for this project is Warren General Hospital, located at 2 W. Crescent Park, Warren, Pennsylvania, 16365.

The funding for this project will be used to provide Warren General Hospital assistance with deferred maintenance and modernization of existing facilities, including a new MRI unit, CT Scanner, X-Ray machine, and replacing aging areas of the hospital's roof. The project is an appropriate use of taxpayer funds because it will improve access to world-class health care in the remote, rural region of northwestern Pennsylvania.

The project has a Federal nexus because it is for the purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
