Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Construction, Improvement, and Expansion at the Faylor Lake Recreational Area in Fiscal Year 2025. The entity to receive funding for this project is Snyder County, Pennsylvania located at 9 West Market Street, Middleburg, PA 17842.

The funding for this project will be used for the construction of a boardwalk leading to an observation deck that is ADA compliant, improved equine trails, and construction of picnic pavilions. This will complement the current recreational activities at the lake including boating, fishing, hiking trails, and natural landscaping. The project is an appropriate use of taxpayer funds because it will support the county's continued efforts to expand recreational activity at the 140-acre outdoor destination and promote additional economic development in the region.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
