The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ford City Storm Sewer Rehabilitation Project in Fiscal Year 2025. The entity to receive funding for this project is the Borough of Ford City located at 1000 Fourth Avenue, Ford City, PA 16226.

The funding for this project will be used to directly replace approximately 6,300 feet of storm sewer piping. The current stormwater system is in a state of disrepair and operates at a reduced capacity because of a lack of maintenance and structural deficiencies. The project is an appropriate use of taxpayer funds because it will ensure that the system experiences significantly fewer flooding events, helping protect Borough residents, businesses, and industry.

This project has a Federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson". The signature is stylized with a large, looped "G" and a cursive "Thompson".
