The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jefferson County 911 Center in Fiscal Year 2025. The entity to receive funding for this project is Jefferson County located at 155 Main Street, 2nd Floor, Brookville, PA 15825.

The funding for this project will be used to complete the engineering and design of a new location for the county's emergency operations center which is essential to the operations of local law enforcement. The current location faces many challenges that pose a serious threat to the county's emergency responsiveness. The project is an appropriate use of taxpayer funds because the new facility will improve public safety.

This project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
