## Congress of the United States House of Representatives

March 27, 2026

The Honorable Tom Cole  
Chair  
House Appropriations Committee  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Armstrong County Memorial Hospital for Critical Medical Imaging Equipment in Fiscal Year 2027. The entity to receive funding for this project is Armstrong County Memorial Hospital, located at 1 Nolte Drive Kittanning, PA 16201. The funding would be used to help assist with the procurement of critical imaging equipment of two CT scanners and a digital x-ray unit. The project is an appropriate use of taxpayer funds as it will replace a 15-year-old, end-of-life 40 slice main CT scanner, as well as a secondary 16-year-old, end-of-life, 24 slice CT scanner to allow patients from the surrounding areas to receive adequate diagnostic care.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
