The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Freeburg Borough Sewer System Rehabilitation Project in Fiscal Year 2026. The entity to receive funding for this project is Freeburg Borough located at 11 Church Street, Freeburg, PA 17827.

The funding for this project will be used to line sanitary sewer mains, install t-liners, and involve other items to completely repair the public portion of the system in this small, rural community. The funding for this project would keep the system financially viable for Freeburg Borough's residents. The project is an appropriate use of taxpayer funds because it will ensure that the system experiences significantly fewer flooding events, helping protect Borough residents, businesses, and industry.

This project has a Federal nexus because it is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson". The signature is stylized with a large, flowing "G" and "T".
