The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Jefferson County 911 Center in Fiscal Year 2026. The entity to receive funding for this project is Jefferson County located at 155 Main Street, 2<sup>nd</sup> Floor, Brookville, PA 15825.

The funding for this project will be used to complete the engineering and design of a new location for the county's emergency operations center which is essential to the operations of local law enforcement. The current location faces many challenges that pose a serious threat to the county's emergency responsiveness. The project is an appropriate use of taxpayer funds because the new facility will improve public safety.

This project has a Federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
