The Honorable Tom Cole
Chair
House Appropriations Committee
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Lawrence Township Volunteer Fire Company #1 for Fire Station Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Lawrence Township Volunteer Fire Company #1, located at 429 Mill Road Clearfield, PA 16830. The funding would be used to renovate and expand the fire station to provide for adequate vehicle bays and address critical space shortages. The project is an appropriate use of taxpayer funds because the fire station ensures essential emergency services remain effective and responsive. Expanding the fire station addresses critical space shortages, protects millions in equipment from weather damage, and enables faster, safer responses to emergencies by providing proper accommodations for firefighters.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
