The Honorable Tom Cole
Chair

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Penns Creek Volunteer Fire Company for Fire Hall Rehabilitation and Expansion in Fiscal Year 2027. The entity to receive funding for this project is the Penns Creek Volunteer Fire Company, located at 50 Troxelville Road Penns Creek, PA 17861. The funding would be used to support the construction and modernization of a new emergency services facility as the current facility no longer adequately supports the operational needs of the fire company. The project is an appropriate use of taxpayer funds because it supports critical public safety infrastructure that protects residents, businesses, farms, and public assets throughout Penns Creek Borough and the surrounding communities.

The project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson".
