The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for West Market Street Safety Improvements in East Buffalo Township, Pennsylvania in Fiscal Year 2026. The entity to receive funding for this project is East Buffalo Township located at 589 Fairground Road, Lewisburg, PA 17837.

The funding for this project will be used to renovate sidewalks and crosswalks, improve streetlighting, and make various safety improvements for vehicles – including around the local elementary and middle schools. The project is an appropriate use of taxpayer funds because it will enhance safety, new business opportunities, and residential growth in this central Pennsylvania community.

The project has a Federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Glenn Thompson". The signature is fluid and cursive, with the first name "Glenn" and last name "Thompson" clearly distinguishable.
