Dear Senator Nelson:

On behalf of the Joint Public Policy Task Force of the Florida Bar Elder Law Section and the Academy of Florida elder Law Attorneys, we pledge our support for the Special Needs Trust Fairness Act and ask for your support and sponsorship of the Act. The Act will reduce added stress on disabled individuals, reduce their expenses and eliminate unnecessary court intervention thus reducing the burden on an already overburdened judiciary.

The members of the task force represent all areas of Florida and are all in full support of this Act due to the overwhelming benefit this Act will provide to individuals with disabilities.

Thank you for your consideration.

Sincerely,

Ellen S. Morris, Esq.  
On behalf of the Task Force
