Dear Representative Thompson:

On behalf of the Hampton School District, I wish to express our continued support of the All Children are Equal Act (ACE Act) and how ACE is presented by your office.

The ACE act will be especially beneficial to the rural school districts of America. It is clear that the Title I formula currently does not meet expectations and the number weighting is the most unfair part of it. ACE will fix this problem and bring a solution that meets expectations and end discrimination against small rural school districts.

Thank you for your commitment and support of this act.

Sincerely,

Jimmy Cunningham
Superintendent
